

"9Wong banjur celathu:

"Sapa sing arep diwulang bab kawruhe

lan sapa sing bakal diwenahi katrangan bab wahyu-wahyune?

Kaya-kaya bocah sapihan anyar

kang lagi kabethot saka susu!

10Sabab kudu iki kudu iku,

kudu mangkene kudu mangkono,

wuwuh iki, wuwuh iku!"

11Lah lumantar para wong kang kedaling celathune aneh

lan lumantar para wong kang migunakake basa manca

Panjenengane bakal paring pangandika marang bangsa mau"

“17Mugi sami Paduka sucekaken ing salebeting kayektosan; pangandika Paduka inggih punika kayektosan.” (John) 17:17

1Ing wektu iku kowe bakal munjuk:

“Kawula badhe ngunjukaken panuwun dhumateng Paduka, dhuh Yehuwah, awit sanadyan Paduka sampun duka dhumateng kawula, nanging bebendu Paduka sampun kendel tuwin Paduka lajeng nglipur kawula.

2Gusti Allah iku sanyata dadi karaharjanku; aku kumandel ora kalawan gumeter, amarga Sang Yehuwah Allah iku kakuwatanku lan masmurku, Panjenengane wus dadi karaharjanku.”

3Ing kono kowe bakal padha ngangsu kalawan bungah ing etuking kaslametan.

4Ing wektu iku kowe bakal padha ngucap:

“Ngunjukna panuwun marang Sang Yehuwah, padha nyebuta marang asmane, pakaryane padha sumurupna ana ing antarane para bangsa, suwurana, manawa asmane iku luhur!

5Padha ngidungna masmur Pangeran Yehuwah, sabab pakaryane iku mulya; bab iki prayoga kasumurupan ing saindenging bumi!

6Padha giyak-giyaka lan surak-suraka, he wong kang padha manggon ing Sion, amarga Kang Mahasuci, Gusti Allahe Israel, iku agung ana ing satengahmu!”
