Even just the thought of you

How great a blessing

I give you more than music  
I give you words or spirit

I give you words or spirit  
in your body or  
in a moment (when X is GOD's will)  
in an infinite of time (when X is

my Eyes of Blue

my Eyes of Blue  
Remember you don't have to say anything  
Even though you do, i have no means of keeping it now  
even if you do, i have no means of keeping it now  
only what you say and feel and know in the spirit-  
only what you say and feel and know in the spirit-  
because the HOLY SPIRIT lives inside of you and inside of me  
because the HOLY SPIRIT lives inside of you and inside of me  
(1 Corintians 13)  
Even though i only know in part, you are fully known to GOD  
Even though i only know in part, you are fully known to GOD  
Even though i do know so little, it is enough ...  
Even though i do know so little, it is enough ...  
i pray that GOD will keep perfecting me for you  
i pray that GOD will keep perfecting me for you  
that we can be perfect to each other and most importantly to the LORD our GOD  
that we can be perfect to each other and most importantly to the LORD our GOD  
i just know Rebecca that to me you are perfect, in every single way, exactly as you are  
and if you look up at the night sky and see all of the wonders that can be seen  
or in sunlight, all the sights that have stared with you for their beauty  
when you close your eyes, know that all of these things together i would not take in exchange  
for just one of the moments that i have had with you  
or the hope of finding you again.
