

17th of December (2020 and ever)

my Eyes of Blue

i have updated the letter on your birthday so please read it again, both pages.

The music this time is 'A letter for Rebecca Gendron' and as ever the music is the only way i can convey to you what words cannot express. You will understand - i pray that GOD will help you to - Hebrews 4:12-16
The comments i write to you whilst composing it, ill review and add to this between now and Christmas again, so please check this letter again on Christmas morning.

Today i do not want to say anything in words, only in music and not even in my own music but in the most beautiful music ever composed by the greatest composer there will ever be [in my sincere opinion]:

→ *(recorona)* [check the facsimile of the MS on IMSLP.org]

from the 2nd Partita for Solo Violin in D minor, BWV 1004 by J.S. Bach

After i told my parents and my sister about you [and our betrothal] i felt as if i could infinitely better describe this music, to someone who has never heard it, with a drawing,

) Then to describe you Rebecca Macé Gabrielle Gendron
to anyone who has never met you, in music, words, photographs...
by any and all means people are able to communicate.

i love you Rebecca

to me you are most beautiful creation that GOD will ever create

i miss you more than i ever want to say, but GOD sustains me in the joy that is yet to arrive

→ i pray the LORD will use it to start opening up HIS WORD to you more and more

i pray everytime i do, that the LORD will guide you on HIS path

and i know HE does, through HIS HOLY SPIRIT that lives inside you and through HIS WORD - i know the LORD is faithful to do what HE says through HIS WORD,

so let us (you and me) strive to do everything according to HIS WORD - in hope, in faith, in love. This letter i composed a long time ago but i meant it,

A letter for Rebecca Gendron → 12-06-2013 until then, remember i am yours and you are mine and we belong to GOD

a Piano Sonata for Rebecca - ? movement (12-03-2013) and → 12-07-2013

it is important to know that this war has already been won → as i said before: 12-07-2013

about 2000 years ago

now we're just playing out the details

GOD is love (and so much more, but all of love)

i fight for GOD and for you

you are my beloved Rebecca Macé Gabrielle Gendron

my Eyes of Blue
You'll see the new pdf on the homepage - [Scriptive map] render onto GOD the things that are GOD's - the LORD extracted me with an opportunity to address a group of people on this subject on Saturday so i'm including it on all the new DVDs and the website.

P.S. - this letter ends with another variation on the notes that end your name

even though you are atheist
so i can read it to you,
i hope this letter finds you
i love you Rebecca Macé

this letter and these words are just for you Rebecca Macé Gabriele
and not just this piece of music, everything i write
- except the Sacred music obviously -
because i'm writing it all for you

01-09-2013
today is the right day
for me to say all the
the last day that is indefinitely
of the 1st chapter

that lives in everyone who
believes in GOD through JESUS
CHRIST or LORD - and perfects
GOD's love in us
to work through us.
With this power i did and i do
and i will do.
You are my beloved Rebecca Macé Gabriele
You have no idea how much i love you
