This has been a wonderful year for you  
and may the LORD make you feel just  
a glimpse of how blessed I feel to  
be your groom to be, I'm so happy  
the most blessed person that  
has ever lived knowing that you  
are my bride to be.

I love you Rebecca

But not brightest came any  
Faster from than this fair Day,  
Which like thee to show is sorrow,  
I came to bid a sweet good-morrow  
To the rough year just awake  
In its cradle on the banks.  
The Brightest hour of wondrous Spring,  
Through the water wanders  
Fond, it seems the Midway Moon  
To have February born.

Dawning from Heaven, in azure mirth,  
I kissed the forehead of the Earth,  
and smiled upon the silent sea,  
and bade the frozen streams be free,  
and bade to music all their fronts,  
and bade them break upon the frozen mountains  
and like a propheticess of May  
Making the winter world appear  
Like June in whiteness and blue,  
Army, army from sea and town,  
to the wild wood and the downs -  
to the silent wilderness  
Where the soul need not oppress  
Its music left it should not find  
An echo in another's mind.  
While the touch of whiteness soft  
Hermes' heart to heart  
I knew this voice in my day  
For each secret word of joy -  
I am gone into the fields  
I think what this soul has yielded -  
Reflection, you may come knowing  
Sit by the fire with Snow, -  
You with upland hill, Dispen -  
You, I treasure voice - reality -  
I will pay you in the grave -  
Death will listen to your voice.

My Eyes of Blue  
The lyrics to the 1st song I love you Rebecca  
I can't understand with the lyrics  
24-12-2020  
Every moment, spent with you  
has been the best moment of  
my life - might now, 13 years ago  
I found the 2nd song I ever wrote  
and all the subsequent ones  
I finished the 2nd song I ever wrote  
and all the subsequent ones  
I finished the 2nd song I ever wrote  
and all the subsequent ones

Expectation too be off in the for Rebecca  
Truly is for itself song,  
Hope, in pity make out like  
Rebecca, with smiles, nor follow where I go, are all for  
I'm having fun on the sweat floor  
At length I find one moment's goal I finished this 2nd  
After long pain - with all your love, in one take really  
This you never tell me of  
Reluctant Sister of the Day,  
Awake! Arise! And come swing  
To the wild winds and the plains  
And the pools where winter rains  
I'm all this pine its roof of leaves,  
Where the pine its girded waves  
Of splash green, and in day  
Round stems that near kiss the sun,  
Where the lanes and pastures be  
And the sandhills of the sea:  
Where the melting, horn-foot wets  
The king-star that never sets,  
And wind-flowers, and wilds,  
Which set you not need to have,  
Crown the pale you weak and new,  
When the night is left behind  
In the deep east, dim and blind,  
And the blue noon is over us  
And the multi-tuplins  
Billows warmer of our feet,  
Where the earth and ocean meet  
And all things seem only one  
In the universal sun.
