 my Eyes of Blue  
 If that's day and month numbers were changed around  
 it would be your birthday so I've decided that  
 Even though I do not have much to write to draw & paint  
 whenever I have, to devote it to you together.  
 whenever I have, when we are together we can be  
 so that, one day,

 please see the manuscript at:  
 to praise GOD  
 I know you have something  
 in and around the house we  
 that and indeed everything  
 might one day be blessed to have  
 together - and indeed this is a  
 command: I have from the LORD  
 [1 Timothy 5:14]

 Remember Psalm 46 → 1 Corinthians 1:24-2:16  
 Have you heard where I spelled out your name in my two prayers for you yet?  
 I love you even more than you can imagine Rebecca  
 and remember that our LORD GOD loves you even more, with HIS endless love/compassion  
 always remember that we belong to GOD and I pray that HIS will alone be done for us, as the LORD should us  
 [Psalm 103 [will]]  
 [Mark 14:36]
