my Eyes of Blue

If today's day and month numbers were changed around it would be your birthday so i wanted to write to you today. Even though i do not have much spare time i've decided that whatever i have, to devote it to learning to draw & paint so that, one day, when we are together we can do this together.

i know you love gardening and i'd love to help you with that and indeed everything in and around the house we might one day be blessed to have together – and indeed this is a command i have from the LORD our יהוה GOD [1 Timothy 5:14]

The word there is G3616 and it applies to all married women – so, one day.

Remember the bottom right corner of your painting that you showed to me, you are my fuel, and my oxygen.

All blessing and praise to the LORD

Who made you Rebecca Maé Gabrielle Gendron

HE knew at Genesis 1:1 already that you would be my reason

i love you more than i could ever say

Memories like raindrops in the cupped hands of my senses

from this day

'it was the best day i have ever had'

13 years ago today

i pray that the LORD our GOD will ensure the words i said as i turned to go down the stairs will echo from that stairwell into your heart until we find each other again 'it was the best day i have ever had'

i love you more than i can ever say Rebecca

my Eyes of Blue

Every evening in my quiet time i read one page of the Book of Psalms firstly in Hebrew (from an interlinear version i bought on the morning of the 8th of October 2014) and then the same verses straight afterwards in Seychellois.

i read these out loud, but softly.

i praise the LORD our GOD & JESUS CHRIST, HIS only begotten SON in the Name for creating you

Remember Psalm 46 → 1 Corinthians 1:24 – 2:16

Have you heard where i spelled out your name in my two prayers for you yet?

i love you even more than you can imagine Rebecca

and remember that our LORD יהוה GOD loves you even more, with HIS endless lovingkindness

always remember that we belong to יהוה GOD and i pray that HIS will alone be done for us, as the LORD showed
