

R May (2021 and ever)

my Eyes of Blue

This composition opens a Partita of sorts (not strictly speaking as a Serenade is not a dance, although i'm sure i could relate it to one; but i don't want to) - It is a serenade- and when i was composing it (it isn't finished yet) i was imagining a big house with shutters on the windows and you'd be asleep upstairs on a warm starlit night, one of those evenings when you hear the crickets sing. It would be quite late or early morning already, so standing in the garden i'd be throwing a few tiny stones against the shutter so that when i start to play this, you would wake up and, in star-light bathed, i would see your face as you open the shutters and smile down at me.

This opening serenade is not yet done properly and the 2nd, 3rd and 4th dances not yet decided or composed (one day) but they will be yours because i am yours
and the 5th and concluding dance i composed first of all 'to praise GOD [FATHER, SON & HOLY SPIRIT]
- for creating the Breath in my prayer, my betrothed, Rebecca Mae Gabrielle Gendron'
because you are mine
and we belong to GOD

Know that the end has already been determined, and the beginning has already been
so fill every moment inbetween with what you know to be GOD's will, guided by HIS Word only,
then our love will always grow and be what GOD intends.

Remember that if you trust in GOD alone, through JESUS CHRIST our LORD, you cannot help but succeed
because HIS will will be done in your life and GOD intends only what is best for us and at the proper time.

i cannot wait to be with you Rebecca so i can say everything in music

GOD will carry you till that day because i pray this in the Name of JESUS CHRIST our LORD

i love you Rebecca Mae Gabrielle Gendron
