

R May (2021 and ever).

my Eyes of Blue

This composition opens a Partita of sorts (not strictly speaking as a Serenade is not a dance, although i'm sure i could relate it to one; but i don't want to) - It is a ^{Serenata} [single movement] ^{for a solo instrument} "Serenata".
i was composing it (it isn't finished yet) i was imagining a big house with shutters on the windows and you'd be asleep upstairs on a warm starlit night, one of those evenings when you hear the crickets sing. It would be quite late or early morning already, so standing in the garden i'd be throwing a few tiny stones against the shutter so that when i start to play this, you would wake up and, in starlight bathed, i would see your face as you open the shutters and smile down at me. Along with the Symphony i started composing for you and a movement from the letter from the frontline (i'll still tell you about it), this opening of the Partita refers to a time still to come [you notice how GOD was preparing me to go and look for you]
This opening serenade is not yet done properly, and the 2nd, 3rd and 4th dances not yet decided or composed (one day) but they will be yours because i am yours and the 5th and concluding dance i composed first of all 'to praise GOD [FATHER, SON & HOLY SPIRIT]' - for creating the Breath in my prayer, my betrothed, Rebecca Mae Gabrielle Gendron
because you are mine
and we belong to GOD

Know that the end has already been determined, and the beginning has already been so fill every moment inbetween with what you know to be GOD's will, guided by HIS Word only, then our love will always grow and be what GOD intends.

Remember that if you trust in GOD alone, through JESUS CHRIST our LORD, you cannot help but succeed because HIS will will be done in your life and GOD intends only what is best for us and at the proper time.

i cannot wait to be with you Rebecca so i can say everything in music

GOD will carry you till that day because i pray this in the Name of JESUS CHRIST our LORD

i love you Rebecca Mae Gabrielle Gendron

my Eyes of Blue

i pray that this will be a truly wonderful day and an amazing year for you
 that you will today (and everyday) experience the everlasting and unending love
 of the CREATOR & SAVIOUR - that GOD will bless you and guide you
 in this way, through HIS HOLY SPIRIT and fill your heart with a joy that cannot be fathomed

my Eyes of Blue

These are the messages i wrote to you whilst i was composing 'a Serenade (to say i love you Rebecca Gendron)'
 Not that it is finished yet (as i said before) - the last update was on your birthday in 2014.

Remember this day 13 years ago? Even though i tell you and you hear, only one day will you really
 know how much every moment we were together means to me. The LORD our GOD i pray
 will give you glimpses until then, in the Name of JESUS CHRIST our LORD Amen

i love you Rebecca Mae Gabrielle Gendron

my Eyes of Blue

7 years ago today, i met you
 and 6 years ago today, i said 'i will see you later'
 the best year filled with the best days and the best moments in my life
 how i miss those moments with you
 those moments that passed so quickly
 yet time stood still in them

i pray that ADONAI will remind us both if we forgot any of them
 i miss you Rebecca Mae Gabrielle Gendron

today was IT induction day

i still remember what you were wearing
 and your voice
 and your hair
 and your laugh
 and your eyes

i've spent 7 years thinking how amazing it is that the most beautiful woman of all time
 [now 13 years] is even more beautiful in her heart

i praise GOD for you Rebecca and for this day 7 years ago
 i love you

my Eyes of Blue

these notes fall so far short
 of true love
 that i pray will always keep growing
 and that we will grow because of it
 into all of eternity - i thank you ADONAI ELOHIM [לְהָלֹם] for her, in the Name of ADONAI YAHWEH HAMASHIACH

if it is GOD's will
 i praise GOD for the hope that we have in HIM
 i praise GOD for true love

Ephesians 5:19
 and then Psalm 117

 one year ago today i was where you are from - where i found
 the earthly paradise that you knew (from paradise)
 even though i didn't find you there (i knew you would never leave you)
 i am the most blessed man and so for the next 2 weeks i am going to give thanks to GOD, to praise GOD for all the blessings in my life
 above all these blessings for you Rebecca Mae Gabrielle Gendron
 in you i have love that all the pain in the whole world will not let me let go of

in you i have love that i will not close your eyes

i love you Rebecca

my Eyes of Blue

i won't be here on the 12th (my sister is moving back to the country where i'm from so we're going on a short holiday) so this is a few days early i pray that there will be a day that you could meet again (and that i could meet yours) that would be the proudest day of my life

for that to happen

i'll have to experience the happiest day of my life

- of us finding each other -

oh what blessed hope

that through GOD's salvation

that day could be in heaven (life could be a dream Sweetheart)

(life could be a dream Sweetheart)

although i pray that it

could be in this life already

now, i love you with GOD's

Word on love 1Corinthians 13

and i pray that you will know

how much i love you Rebecca Mae Gabrielle Gendron
