LORD in

Even though i cannot be with you today  
Eyes of Blue  
yours to and for so many days that have passed  
and we belong to all i know is every day is one day closer  
to when we will be together again

In Ephesians 5:25 → "The husbands,  
love the wives (of) yourselves, even as  
also CHRIST loved the church, and  
Himself gave up on behalf of it."

In context the translation is accurate,  
but the word for G425 means simply 'man'  
and for G135 simply 'woman'.

The LORD our GOD knows that i live  
my life, regarding you to be my own woman, Rebecca  
Even from before but certainly since Jeremiah 1:12 → Proverbs 16:33: 18-22 → i am yours and you are mine and we belong to the man HE wants me to be in your life  
my the LORD will continue to help me become the man HE wants me to be in your life
